WHO CAN LIVE AT HUNTERS HILL LODGE?

Hunters Hill Lodge is suited to people needing some assistance. We are not a residential aged care facility. Our goal is to enable residents to stay in their home for as long as possible avoiding or delaying a move into residential care.

It is important that any person considering a move into Hunters Hill Lodge moves into a home that can service their short to medium term needs. To assist with this decision, we ask residents to provide a health summary from their GP which enables us to ensure that we can appropriately service their needs.

WHAT SERVICES ARE PROVIDED?

You will enjoy a range of services including freshly cooked meals (lunch and dinner served in our dining room, breakfast supplies provided), a weekly clean of the apartment, emergency call system, telephone, a range of social activities and outings all in a friendly environment with great views across Tarban Bay.

Staff are on site 24 hours a day with a nurse supervising your care needs. Limited personal care is provided as part of your stay, more extensive care needs can be arranged and charged accordingly.
